### **EVIDENCE TO BELIEVE**

A boy went to Sunday school for the first time and his teacher taught about Moses and the Red Sea experience. When the boy returned home, his mother asked him what his teacher taught him. He dramatically tried to explain, “She told us about the Egyptians and Moses. The Egyptians chased Moses and the rest of God’s

people. When the Israelites came to the Red Sea, they built a temporary bridge across the water and God’s people hurried across it to the other side. Then Moses blew up the bridge along with the bad people.” The mother asked, “Did your teacher really teach you that?” The boy realized his mother was not pleased with his version of the story. So, he said, “Well she didn’t teach it exactly like that, but if I told you what she said you wouldn’t believe it!” The boy heard what he thought was an unbelievable story. In time, if he continued to attend Bible class, he would learn there is evidence to believe God’s version of any story in the bible. God gives us evidence that we can check out for ourselves to see the Bible is the inspired Word of God (2 Timothy 3:16-17). The death, burial and resurrection of Jesus did happen (I Corinthians 15:3-4). Based on the evidence we can believe the resurrection story and when we do, we will live hope-filled lives.
